

North American  
Partners in Anesthesia

## Franc Galinanes

---

### Vice President, Strategic Initiatives

---

Part of the NAPA team since 2000, Franc is responsible for the management of the organization's Healthcare Analysis Department, its Risk Management strategy and the operation of the Professional Liability Risk Management and Facilities divisions. He is a member of NAPA's Mergers and Acquisitions group and works closely with NAPA's executive management on strategic projects.

Prior to joining NAPA, Franc held the positions of Market Research Coordinator, Data Analyst and Medicare Sales Representative at MDNY Healthcare and Account Executive with Independent Health Association.

Franc is a past member of the Executive Committee of the MGMA's Anesthesia Administration Assembly. He received his B.S. in Marketing from Hofstra University in Hempstead, NY.
